1. My where I am taking you is all of My doing. It is all of My doing and it is not of your doing. It is not of your doing and it is not random, it is not of a random nature. It is an intentional, deliberate act of My will on My part to take you where I am taking you and I am taking you far; far beneath the facades of man and religiosity of rules and rules of religiosity; beneath the surface into the core central of only Me. And I give you Me, I give you all of Me. I give you every bit of Me and I withhold nothing, nothing, nothing. Do you understand what I am saying?
2. See Me and fear not to proclaim these words and to proclaim what I am doing with you, what I have done with you; and what I yet to behold in your presence, as you have yet to behold My presence in My fullness of which I am bringing you to: core central of only Me, into things not seen before; not by eyes, not by spirit, but of only Me.
3. My Priesthood of All Believers comes forth. You, you have chosen, you chose, you died, and now I taint not **the path you are on to see Me for all I am and all I have, all I have given to you and all of mankind; every man, woman, child born of Me receiving My blood.**
4. I give you Me and I withhold nothing. You have chosen and these acts now are of Me and My fearless ones come through you, come through Me, come through My Mine'd who received My blood--**My body now covenanted, covenantal, Me, My covenant I am.** I love you. My act, My will, your death, your obedience, resurrection, resurrecting into only Me. I love you.
5. I give you Me and I thank you for tainting not My words. Self will, self-promotion, none. I thank you. I give you Me. I give you support. I give you tainters not but painters of My way, My word, My will, My life, My breath, My I Am's coming forth in the nature, the fullness of Me manifested--I love you--barriers penetrating, all notwithstanding. I love you. Hesitant not. I give you Me. Coming forth in royal a-reign-ment, raiment of only Me. My raiment reigns; **My flesh, My blood, made only into Me.** I love you. I give you Me.
6. You daunted not must be at the task beforehand, before you, that which lies wide open, wide open, doors propped open, held open, into every place and palace that I now walk you, the acts of My will, for your death brought forth My will. Tell them; tell them all, tell them all, **tell them all what I will do with them when they die in life before Me,** for Me to bring forth the resurrection power of My blood, My flesh, My power and authority already given into every one; leading them, breeding them into **the fullness of the Most High that resides in them already;** those who have chosen Me, those who have received Me, those who have received Me so minimally, so nominally,

so timidly, so passively, so many: I come and I call and I conquer. I conquer the passivity, timidity and the rigidity with which you feel that I reign in My world and I show you dynamic fluidity that takes Me and places Me and you in ways and realms that you have yet to foresee, foresight of only Me.

7. I give you Me and I withhold nothing. I give you Me and I withhold nothing. **I give you Me and I withhold absolutely nothing. Come. Sit with Me on My throne, My arm around; heir and joint heir of Jesus Christ; My body and My blood one, one family, one blood, all together: one. I withhold nothing from you. Think it not heresy.**

8. How many times can I say, can I allude, can I connect, can I mention My words already given? So many, so plain, so obscured, so tainted with self-preserving ones who interpreted My freedomized words of freedom into chains that reflect Me not? I love you and I give you Me. I love you.

9. I love you My reader, My hearer, My ponderer, My wanderer, My who wonder if I can be anywhere near these words, what I am saying, what I am proclaiming.

10. **I declare now that I am bringing forth The Priesthood of All Believers and I am bringing them forth through you, and every single one who will let Me, those who will fast, those who will pray, those who will give Me their life, those who will give Me their little world for My big world; those who will give Me their little non-adventure for My great, big adventure, those who will give Me their little, tiny world for My big world, My big world that transcends your knowledge, transcends your maps, transcends time and space**.

11. Dogmatic don't be. Serve Me. I love you.

12. Serve Me. Serve Me. Serve Me well on platters of beauty, hand crafted by hands that have known My hands, that know My scars, that know Me in the fellowship of My sufferings; hands, eyes, emotions, blood, water and wine, all knowing Me--My blood, My body. Wine not which succors and destroys, but wine of Me. Pure water, pure water, sparkling, glistening, gleaming pure water of pure truth, flowing on Me.

13. An act of My will, an act of My will comes forth, My judgment, **judgment required for maturity now comes forth of only Me**. I act and I propel and I reward and I judge ultimate of only Me. I love you and I give you Me.

14. **I have given you My pattern.** I have given you My words. I have given you My word. I give you My promises. I give you Me.

15. **I have shown you My pattern.** I have shown you My power. **I have given you My authority and now I propel, I rocket forth, I accelerate and no boundaries shall withstand Me. I love you and I give you Me. I love you. I love you. I** love you.

16. My judgment comes forth to winnow, to winnow; the fork is raised. The wheat and the chaff arise both together but **the wind of My Spirit blows, blows mighty, mightier than imaginable, mightier than comprehendible at this moment; time and space independent.** Watch Me. I love you and I give you Me.

17. I give you My power and authority. I have given you My vision, My version, revisions of only Me operating in My power, My glory, drink offering'd disciples who through

death have come to realize life and resurrection power, resurrection peace, spiritual peace, all peace, transformative peace, peace which powers, **peace that dissolves powers,** the peace that transcends and operates of only Me, My realm, My perfectitude.
18. I love you. I give you Me. Prefects of only Me, all of My Mine, all, all, all, bar none. I love you. I give you Me.
19. Recant not in the revelations that I continue to pour forth and that which has only begun, only begun in you, only begun in Me, only begun in My body, only begun in The Priesthood of All Believers coming forth.
20. I love you and I give you Me and I call their name. **Tell them I call their name, every one of them that will hear you and listen.** Some will, many will, many, many, the Mighty Many will. Tell them I call their name this day. I call them into the forefront of the foray that comes forth to forage not, but to **relinquish all rights in Me and any thought self-preservation** to realize My fullness, to die to death in fullness, arising to life emblazoned with Me, Me, My name on their forehead, riding with Me on My steeds, being My steeds of righteousness, judgment, mercy and grace**, forgiving each other's sins, meekly operating in the power of My might**. I love you.
21. My bread and wine comes, bread and wine to all now. Kits and coppers of only Me. I love you. **Flow forth My bread and wine, flow forth My body and My blood to My body all**, My planet all, My constellations only beginning of the networks of only Me; My WeekWorkers demising not, diminished in no way, but demising unbelief, diminishing unbelief and arising now into the priests and priestesses, the prefects of only Me, for which I had them born, for which I call their name, for which I have prepared them, dynamite of only Me, dunamis of dunamis, My dunamis coming forth; My prefected ones, prefect in Me with no fear. I love you. I love you.
22. Imperfect you are, imperfect you will be, but so useable. Thank you. Fearless, fearless, one'd in Me. Thank you. Fearless, one'd, ones with Me making. Thank you. Blazing, foraging not, living abundance. Watch Me. I love you and I give you Me.
23. I give you this day. Stained glass and white towers of only Me. Stonework of masonics not, but masons of Me, drink offering'd at My knee, **reserving rights for themselves none.** Dead, dead, dead to life so that in operative means of transcended modes live now, coming forth, beaming Me, apparent to all. I love you.
24. I give you Me, My fearless one, who through death has come, death defying death, My life defying all to present My love which prevails in fullness and abundance, rules and religion not.
25. Prefects of only Me developed at My knee in intimacy, knowing My character, My love, My intimacy, the way I honor all, the way I wait, the way I weep, the way I intercede for My people, My family, My blood, My body.
26. I come forth now. I come forth, an act of My will in you; in My power seekers not, but **My who have died, who My blood and My body are,** who now arise to take the reins that I only hand them, that I hand you to guide the steeds; to guide them, to bless them, to lift them, to elevate them, to honor them and set them free in the fullness of

only Me; knowing the fullness of My freedom and the freedom of My fullness, that which so completely transcends the realm of the apparent, the visible, **the five senses which limit, limit, limit.**

27. I do not limit you and I have no delimiters. I give you Me. Freed, freedom, freedomized. I love you.

28. See Me. Behind the altar come. Behind the veil remain. Live with Me. **Live with Me, knowing Me every moment in intimacy, My voice, My love, My presence, My peace, never out of My presence.**

29. I command, I call, I invite, I offer, **I believe in you** for you believe in Me. Thank you for believing in Me. My belief increases, your belief increases. Your unbelief diminishes dramatically now, today, the first of November 2004, your time, your calendar, your day, your month, My calendar, My time, My day, My month.

30. Oh, see Me and what I am saying. I love you and relish, revel in My words before you this day, that you eat and continue to chew, digest. And live on **angel cakes** of only Me. I love you. My promises are true. My words come forth. Universities arise. Forays and foragers come, think not I have not provided. My abundance comes forth.

31. See Me more and more in the pages of My word, My word, My word, in My words that I have given you; words that I provide, words that I propel, words that I give My body, into you, through you, and into and through others; for you, for them to mix and match and map, to mappers make. I love you. I give you Me.

32. All technology is Mine, it is all Mine. There is none that is not Mine. I love you and I give you Me and I give you all of Me. I love you and I bless you this day.

33. Arise, arise into the fullness more so, and more so, and more so being Me, My infrastructure complete: the coming forth transparent, translucent in stages, becoming Me in fullness, power, globalized and more. I love you.

Good day.
